

DO YOU  
KNOW

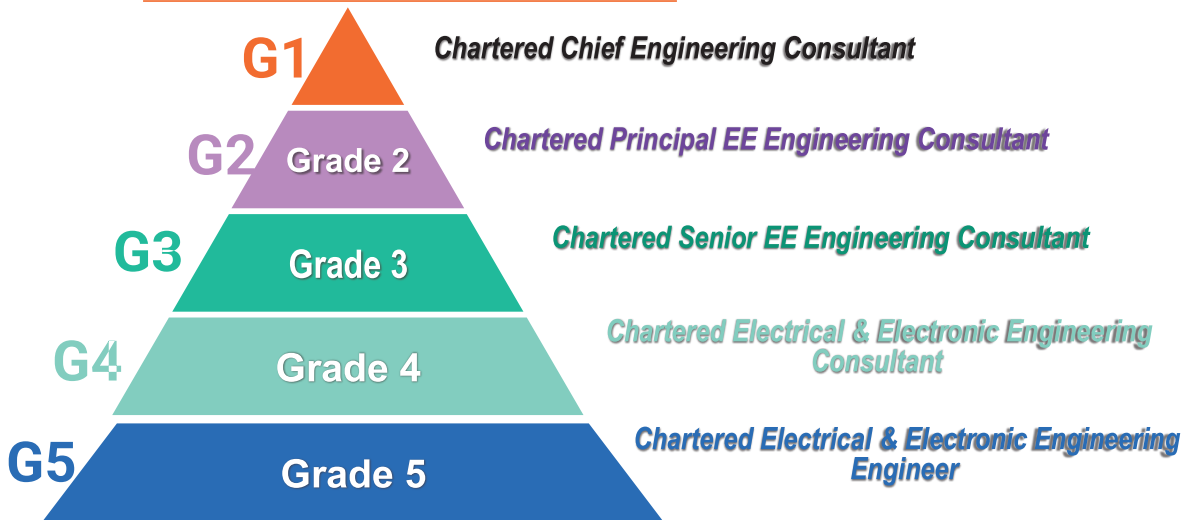

# CIEEEN ACT 2022 LFN

You Can Now Become

## Chartered Professional & Certified

HIGHEST CERTIFICATION GRADE LEVEL

in the following Specializations/Expertise:

Artificial Intelligence (AI)	Avionics	Big Data
Biomedical Engineering	Block Chain Technology	Broadcasting
Clean Energy Engineering	Computer Engineering	Construction & Contracting Industries
Control and Automation	Electric Power Engineering	Electrical Maintenance
Electrical Manufacturing	Electrical Materials Sc	Electrochemistry
Electromagnetics & Waves	Electronic Engineering	Emerging Technologies
Hardware Engineering	Instrumentation	Internet of Things (IoT)
Machine Learning (ML)	Mechatronics	Microwave Engineering
Optics and Photonics	Power Electronics	Quantum Engineering
Robotics	Signal Processing	Systems Engineering
		Telecoms
